Dear All

We have worked with J P Office Furniture for over four years now. In 2005 we moved to a brand new state of the art school and it was J P Office who took the time to meet all our furniture requirements. Nothing was too much trouble and the furniture supplied was excellent. The fitters became part of the school team setting up the furniture to a really high standard.

On the recent refurbishment of our Inclusion Suite, J P Office provided us with a 3D design and layout service. The ability to visualise the plans prior to fitting was a fabulous facility.

The staff are wonderful and always willing to help – quite often receiving orders that are needed on an urgent basis. Never once have they let us down – what a pleasure to work with such a professional team.

Yours sincerely

Ann Simpson  
School Business Manager
